CAMPING TRAILERS

# **APACHE<sup>®</sup>** for '62 Means

## **APACHE<sup>®</sup> EAGLE**

For campers who want to "rough it" in comfort and style, there is nothing to compare with the Apache Eagle. Over the highway, it's a sleek, handsome trailer. At the campsite it unfolds into a compact yet surprisingly roomy camper. Two double beds and generous floor and head room afford plenty of space inside. For added comfort the entire living area is completely off-the-ground. Polyfoam mattresses, three large windows, screened doors and windows and large storage area help make camping a comfortable experience. Price F.O.B. Lapeer, \$445.

Two permanently made-up double beds with polyfoam mattresses provide comfortable sleeping for four.

Trailer body is in colorful mocha-tan pre-finished aluminum. Rigid, lightweight aircraft-type construction.

Heavy vinyl-coated rubber carpeting, in harmonizing color, cleans easily and adds a touch of luxury.

Test walls and ceiling are made of mildew-resistant Vivaltex treated army duck.

Large picture window at the rear and two windows over beds are heavy-duty zippered and nylon screened.

Permanently made-up double bed features polyfoam mattresses comfortable sleeping for four.

Trailer body features modern attractive styling, aircraft-type aluminum construction.

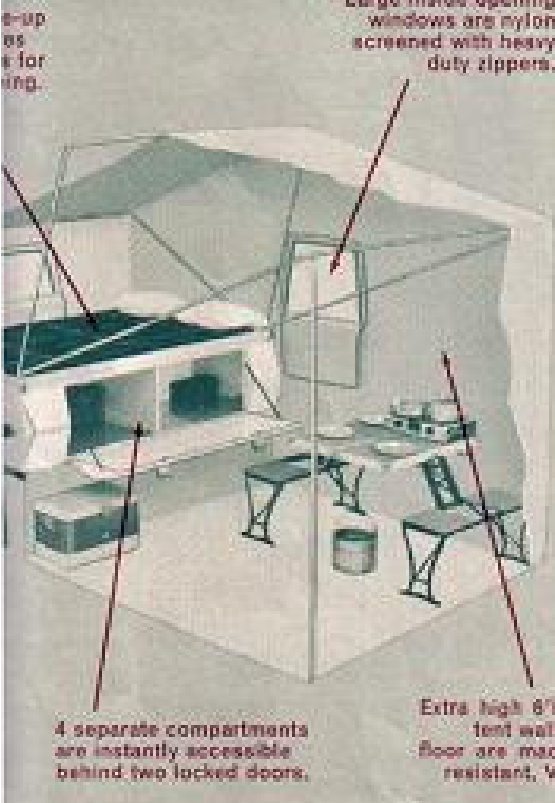

## **APACHE<sup>®</sup>**

For campers who want to "rough it" in comfort and style, there is nothing to compare with the Apache Scout. Over the highway, it's a sleek, handsome trailer. At the campsite it unfolds into a compact yet surprisingly roomy camper. Two double beds and generous floor and head room afford plenty of space inside. For added comfort the entire living area is completely off-the-ground. Polyfoam mattresses, three large windows, screened doors and windows and large storage area help make camping a comfortable experience. Price F.O.B. Lapeer, \$445.

# Camping Fun for Everyone!

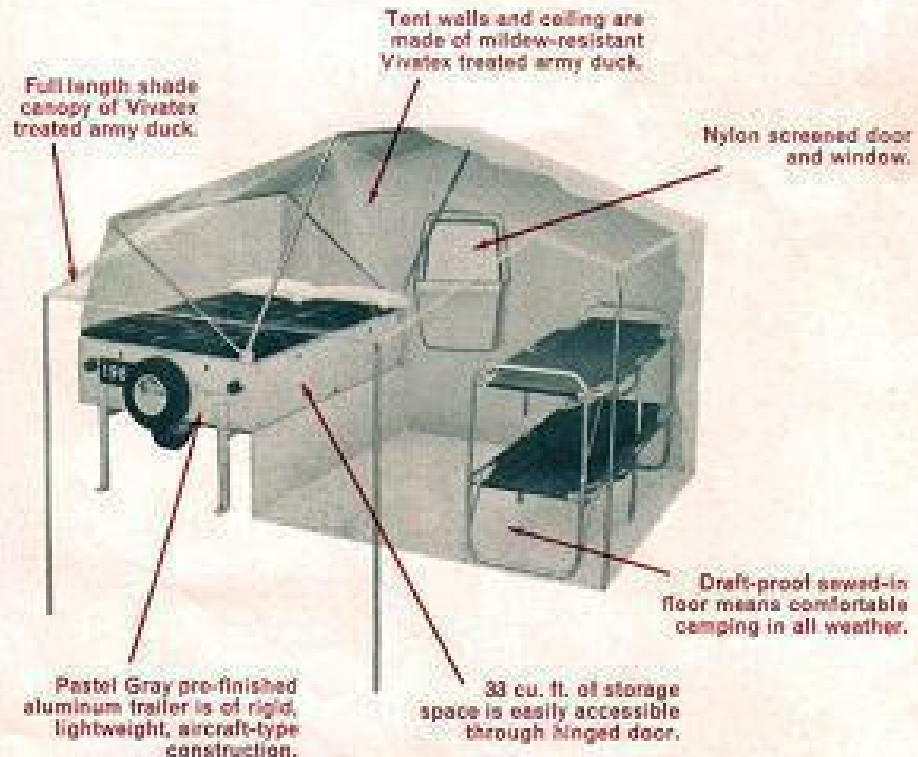

## APACHE CHIEF

A long-time favorite with campers because of its ease of assembly, roominess and moderate price tag, the Apache Chief now sports a handsome new body style. Compact and lightweight, the Chief unfolds into a spacious tent with 50 sq. ft. of versatile floor space, plus a full-size double bed on the trailer. Instantly accessible storage compartments have 45 cu. ft. of space. Draft-free sewed-in floor, large windows and zippered screens are just a few of the features that have made the Apache Chief the world's most popular "on the ground" camping trailer. Price F.O.B. Lapeer, \$525.

## APACHE SCOUT

Camping fun with a small investment the economical Apache Scout is the answer. This rugged camping trailer features easy assembly, traction throughout and ample living and storage areas. Yet priced within easy reach of most campers. Standard features include full length shade canopy, draft free sewed-in floor and double bed. 33 cu. ft. storage space, easily accessible. Price F.O.B. Lapeer, \$345.

# COMPACT TRAILER TO SPACIOUS LIVING!

*in a matter of minutes!*

The Apache for '62 is easy to handle, trail and assemble. In just a few minutes the Apache unfolds into a comfortable camp with plenty of room for standing, sleeping, lounging and dining. For a complete demonstration, visit your Apache Camping Center. See how you, too, can have a fun filled Apache Camping vacation.

Lightweight and compact, the Apache Eagle is a stylish, compact trailer.

Travelling cover is removed, bow system raised and beds pulled out to begin assembly.

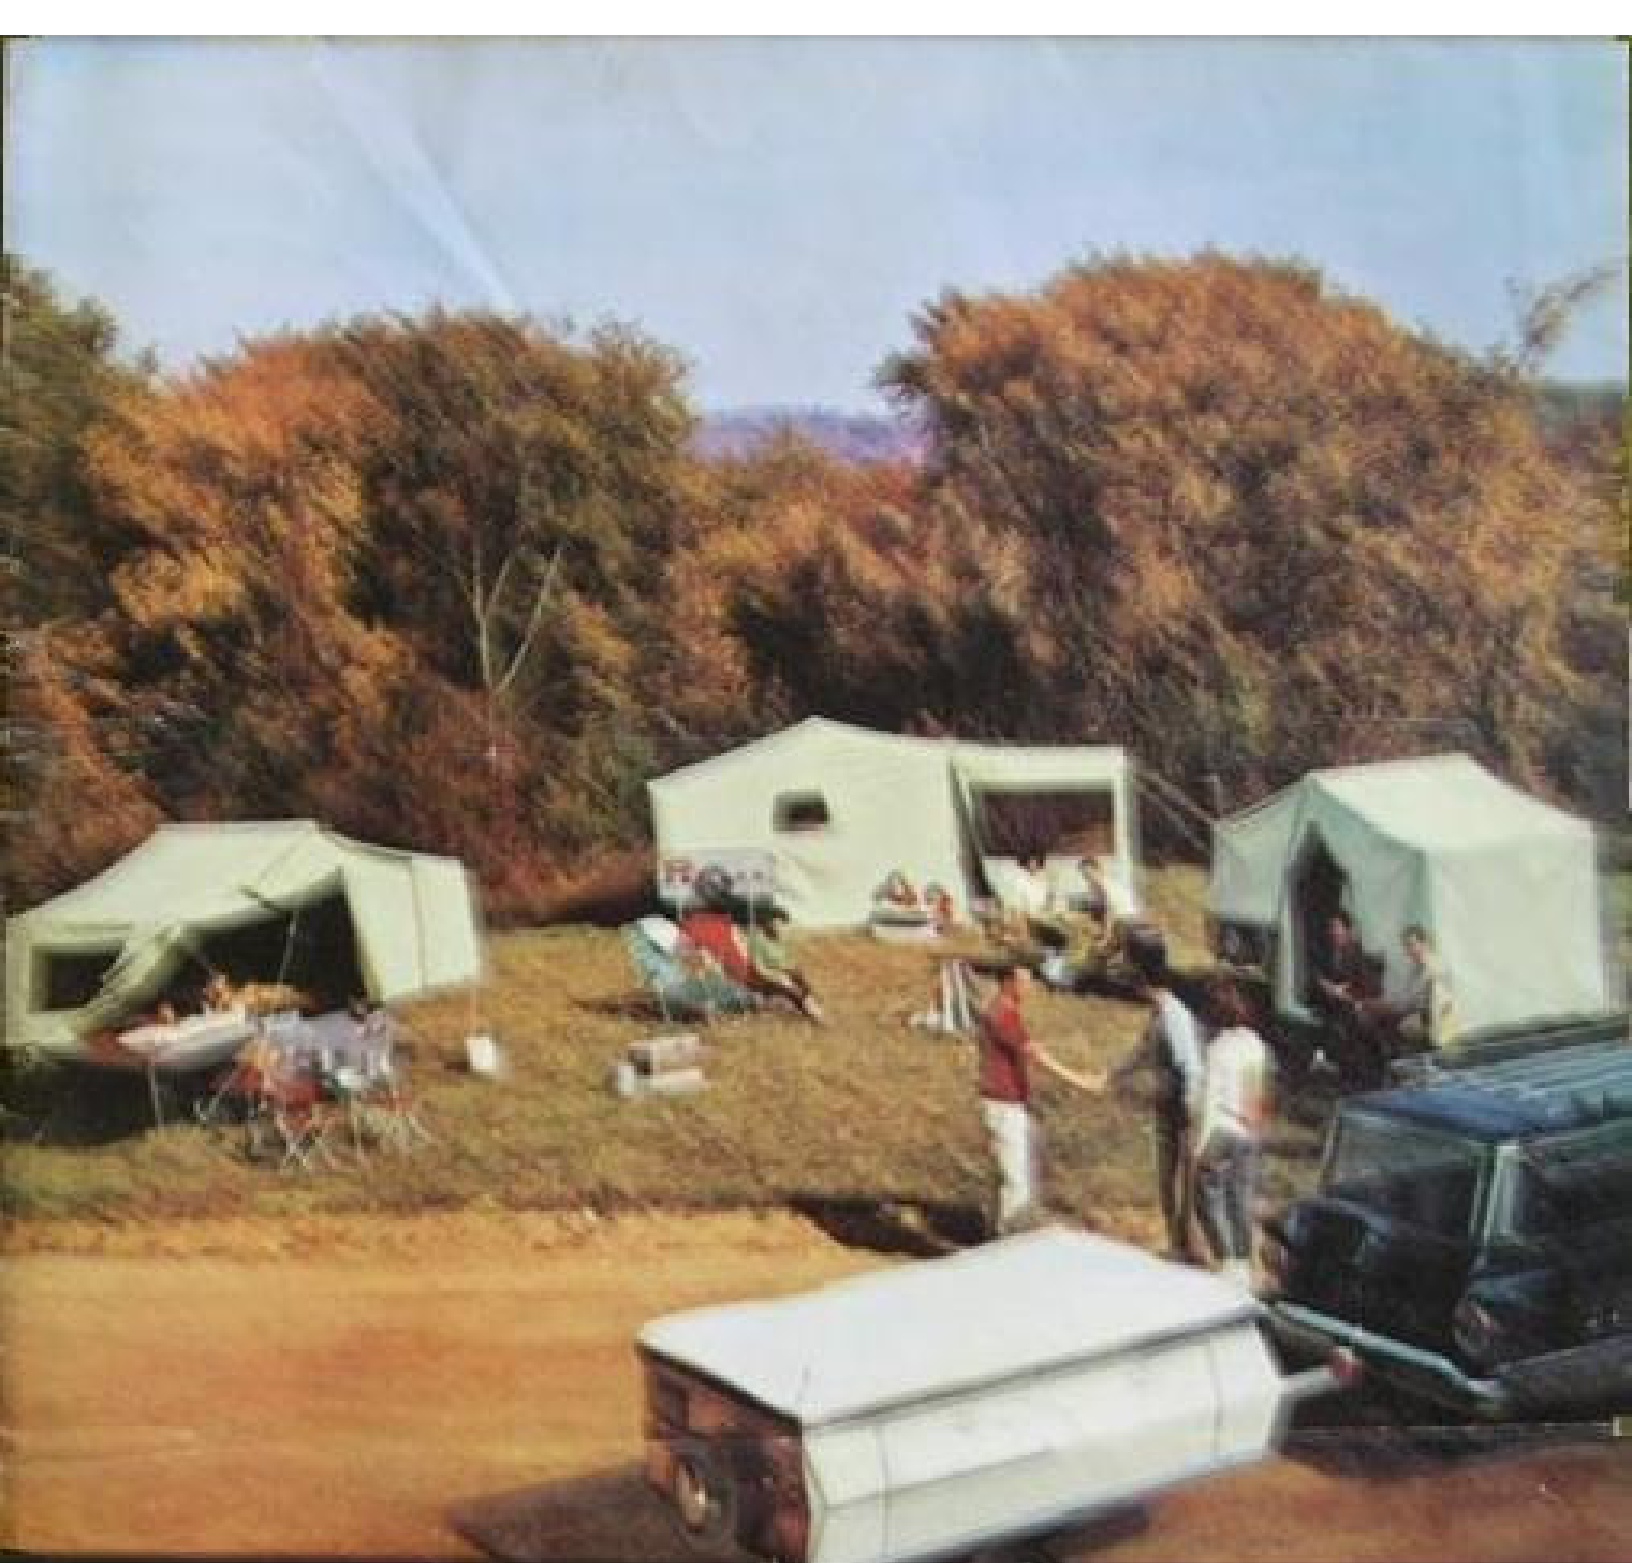

In a few minutes the tent is completely erected. Optional canopy and/or Add-A-Room is ready for set-up.

## There's Room for Real Livin'

The APACHE EAGLE, shown here with front access entry lock, has room for sleeping, eating, cooking and living.

### IN THE ALL-NEW APACHE CAMPING TRAILER FOR 1962

Unfold a '62 Apache from its lightweight, ramp-up trailer and relax in complete comfort. Plenty of head-room, useful floor space, wide double beds and spacious compartments for gear and supplies add up to the most comfortable outdoor living you've ever enjoyed.

#### THREE GREAT MODELS

Whatever your needs, there's an Apache Camping Trailer to fit them perfectly. The traditional Eagle is the best word in camping comfort. Two double beds with polyfoam mattresses, large screened windows and convenient storage cabinet lend extra pleasure to outdoor living. The trailer is completely off-the-ground, yet still has lots of room inside.

The Chief features a wide double bed,
