

APACHE '69

RAMADA
 Sleeps eight, more
 than 125 sq. ft. of
 well-planned living
 space. Complete
 built-ins.
 \$1675 plus freight.

Ramada is the finest in camping trailers—distinguished by its unequalled luxury and conveniences. All cabinetry is finished with durable, easy-to-clean Permaface laminate in Hard Rock Maple tone—an Apache exclusive. Permanent waist-high galley cabinet has a stainless steel sink* with icebox underneath. Under the adjoining dinette seat is a 10-gal. water storage tank with convenient outside fill. Top of the galley cabinet affords plenty of convenient work space, surfaced with tough, easy-to-keep-clean Textolite. Facing the galley cabinet is a 3-burner range to complete the efficient galley area. Family-size dinette converts quickly into a big double bed. When not in use, table folds down into an end table to provide more living space (see p. E). Another Apache exclusive:

Also available as accessory option with this year's Ramada is a unique hanging wardrobe. It's made of heavy Army Duck. Unfastens easily, and lies flat when traveling. Sturdy, zipper closure keeps wardrobe clean.

The Gaucho couch converts to a thick-cushioned bed (or vice versa) in an instant. Underneath is 11 cubic feet of convenient storage space. Exclusive comfort-contoured seat construction gives you "easy-chair comfort."

Ramada's new floor plan features permanent waist-high, 3-burner range across from galley cabinet for greater cooking efficiency and convenience. The range features front controls and stainless steel lid. Underneath is ample space for storing cooking utensils.

angle-contoured dinette seats that provide optimum seating comfort. Color-coordinated 4"-thick cushions on dinette and Gaucho couch are reversible—gold vinyl one side, gold upholstery on the other; and double-welted for longer wear. Electric brakes and complete bottle-gas hookup, including 20-lb. bottle and carrier. See pages F and G for more.

**Not shipped installed to California or Washington.*

115-volt electrical system, manual reset circuit breaker, duplex outlet inside.* (Not available in Canada.)

RAMADA SPECIFICATIONS

Body length: 13'
 Body width: 6'7 1/4"
 Road height: 49"
 Tires: 20 x 8.00 x 10"

Living area:

Height: 6'3"
 Width: 20'6"
 Depth: 6'2"
 Bed dimensions: 6'2" x 4'

Recommended carrying weight:

400 lbs. max.
 Color: Burnished Saddle
 Brown exterior,
 Alabaster interior.

MESA I, II, III

Three great
new models to
choose from.

Mesa I, \$1045

Mesa II, \$1155

Mesa III, \$1420

(all plus freight)

Mesa I's waterproof, aluminum road cover cranks up to become the roof. And the one-piece screen door, attached inside the road cover, rolls into position. Handy step flips down and locks in place. Cushion-backed vinyl floor on this handsome trailer is good-looking, with all the durability you want. A cinch to clean! Two large double beds with foam mattresses. Mesa II includes a man-sized dinette that converts into a double bed with 4" cushions. Table has a unique, space-making drop leaf (see page E illustration). The exclusive, contoured tilted seats let you lean back and enjoy life in comfort, without sliding forward.

Mesa III gives you, in addition to all of the above, an icebox you can get to, even when you're buttoned down for travel. And a waist-high cabinet

The dinette in Mesa II and III gives the entire family plenty of room. And the table can be changed in a wink to an end table (shown) to give the family more legroom when they're just lounging around. On Mesa III the interior is tastefully color-coordinated throughout.

The dinette in Mesa II and III converts into a roomy double bed at night. What's underneath? Storage space aplenty!

Another Mesa III feature is this generous storage and work space area that's "built around" the optional refrigerator. No problem to find a place to store things. No problem to find extra counter space.

with a color-coordinated, 3-burner range, sink* and shelf storage area. Bottle-gas hookup and carrier, too. Large water storage tank with handy outside fill. Like all Apaches, construction is of strong, lightweight, maintenance-free aluminum. Other features shown on pages F and G.

**Not shipped installed to California or Washington.*

MESA SPECIFICATIONS

Body length: 9'
 Body width: 67 1/4"
 Road height: 48"
 Tires: 18 x 8.50 x 8"

Living area:
 Height: 6'3"
 Width: 16'4"
 Depth: 6'2"
 Bed dimensions: 6'2" x 4'

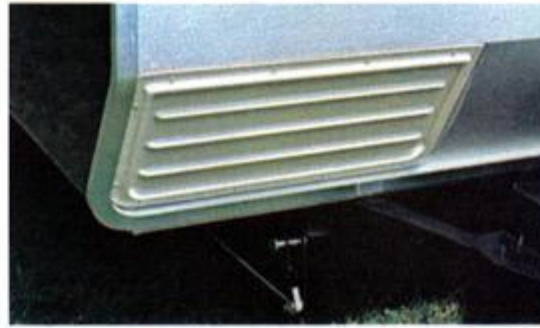

Recommended carrying weight:
 400 lbs. max.
 Color: Burnished Saddle
 Brown exterior, Alabaster interior.

Galley cabinet in Mesa III has 3-burner range and sink, raises to work level.

The cupboard and drawer pulls on the Ramada and Mesa III built-ins are of tough, pliable nylon. They're self-locking, corrosion-proof, good-looking.

Front panel stone shield, made of tough polymer, protects front panel of trailer from damage by road gravel.

Aluminum-framed cabinets combine practical service with a luxury look. Can't warp or twist ever. All interior paneling is covered with exclusive scratch-resisting, easy-to-clean Permaface laminate, stronger than conventional paneling.

Beds crank out easily on efficient chain-drive mechanism, and road cover raises automatically to become the roof.

RAMADA & MESA STANDARD FEATURES

Tongue jack unit with wheel maneuvers trailer easily for hookup. Stores for traveling.

The exclusive Apache locking road cover means you can "lock up" when you're on the road and keep your personal belongings safe at all times. Also prevents accidental opening of cover.

Flanged edge of new, portable, 12-volt auxiliary light permits easy attachment anywhere in trailer—or on outside as a night-light. Has frosted, glare-diffusing globe (and push-pull, on-and-off switch).

One-piece aluminum screen door stores in top of trailer when traveling. At camp, it rolls down in closed position with one easy movement. There's also an opaque, sliding, fiberglass panel for complete privacy—and use in inclement weather. Conventional spring-loaded stops let you set it at any desired intermediate position.

Unique Adjust-A-Level legs work like a car jack in adjusting to level position, if trailer is parked on uneven ground. Broad bases provide firm support. Legs swing up and lock into self-storing position.

Clean, low, compact design, your Apache rides the road well, is easy on the gas tank.

Wide, 4-ply rated tires have the new low profile—float better on sand or soft ground. Together with live-rubber torsion suspension, they provide safe, positive towing characteristics on the road.

BUFFALO II

Sleeps six
comfortably
in a breeze.

\$985 plus freight.

Features 100 sq. ft. of spacious living with room to spare. A large dinette converts into a wide, roomy double bed, creating sleeping accommodations for two. During the day, the table folds in half, providing plenty of extra "walk-around" space. Dinette seats have exclusive comfort-contour feature. Congoleum-Nairn, cushioned, vinyl-covered floor is handsome, resistant to scarring, easy to clean. Step door is self-supporting, double-paneled for extra strength. Locks in place. Exclusive Adjust-A-Level legs adjust easily for leveling trailer on uneven ground. Polymer shields protect front body panel from pitting from road gravel and stones.

BUFFALO SPECIFICATIONS

Body length: 9'
Body width: 6' 7 1/4"
Road height: 48"
Tires: 5.70 x 5.00 x 8"

Living area:
Height: 7'
Width: 16'4"
Depth: 6'2"

Bed dimensions: 6'2" x 4'
Recommended carrying
weight: 400 lbs. max.
Color: Burnished Saddle Brown.

The new Eagle dinette provides a comfortable and spacious eating or sitting area inside.

At night, it's a bed . . . just right for two small children to get a big night's sleep. Table stores out of the way, when not in use.

Looking for a lightweight, maintenance-free camping trailer with two large double beds up off the ground? And a dinette that makes into an extra bed for the kiddies? Then the new Eagle is for you. You'll like the stylish, yet functional aluminum road cover. It provides convenient storage space in camp, locked protection when on the move. Eagle is a sharp, yet practical, unit with quality to spare. See one at your dealer's.

EAGLE SPECIFICATIONS

Body length: 7' 5¼"
 Body width: 5'2"
 Road height: 47½"
 Tires: 4.80 x 4.00 x 8"

Living area:
 Height: 7'
 Width: 14'1"
 Depth: 7'

Bed dimensions: 6'7" x 4'4"
 Recommended carrying
 weight: 400 lbs. max.

EAGLE
 98 square feet
 of living space.
 Sets up in minutes.
 Sleeps six.
 \$795 plus freight.

FALCON

Perfect getaway camper
for the family
of four.

\$645 plus freight.

No cramped quarters in this one! It has two 52" double beds (foam mattresses, of course) with 5 feet of floor space between them. And enough headroom for a seven-footer! Dark green shade of new fiberglass screening reduces glare, is easy on the eyes. If the weather turns wet, window flaps zip up from the inside.

FALCON SPECIFICATIONS

Body length: 7' 5½"	Width: 14'1"
Body width: 5'2"	Depth: 7'
Road height: 47½"	Bed dimensions: 6'7" x 4'4"
Tires: 4.80 x 4.00 x 8"	Recommended carrying weight: 400 lbs. max.
Living area:	Color: Twilight Turquoise.
Height: 7'	

A unique trailer in its price range. Aluminum construction. The Chief has unusually large, locking storage compartments that are immediately accessible. Ideal for the small family on the move or for active sportsmen. Has large double bed with sewn-in vinyl floor.

CHIEF SPECIFICATIONS

Living area: Height: 7"	Color: Twilight Turquoise.

ALL APACHE TRAILERS HAVE THESE QUALITY FEATURES:

Hi-speed tapered roller bearings. 4-ply rated tires. Removable steel tongue. Quick-coupling hitch. Adjust-A-Level legs. Auxiliary steel safety chains. Demountable 4-lug wheels. Directional signals, stop and taillights. "Woodyouth" treated plywood floor. Steel parts painted or cadmium-plated. Pearl gray tenting, Vivatex-treated, finished Army Duck, mildew resistant and preshrunk. Telescopic, self-supporting tent bows. Foam bed mattresses with reversible vinyl-and-ticking covers. Adjustable bed legs that go directly to the ground for positive, firm support.

A WARRANTY THAT MEANS IT!

Your new Apache camping trailer is warranted for a period of one (1) year from date of purchase against defects in material and workmanship. Tires, axles and brakes and all other purchased items—such as stove, sink, icebox and heater—are covered by warranties offered by the manufacturers of such items. The warranty is valid only if the warranty card is completed and returned within 10 days of original purchase to the Vesely Company. Warranty claims must be presented to an authorized dealer only, not directly to the factory. Replacement of original equipment with parts other than those approved by the Vesely Company will invalidate this warranty. Vesely Company's liability is limited to the repair or replacement of the defective item; and no other liability shall be either expressed or implied. This warranty applies only to the original registered owner.

VESELY COMPANY

New privacy curtains come in pairs, for both bed areas.

Plastic windows let in plenty of light, keep rain out.

Canopy provides protection from sun or inclement weather.

Automatic heater assembly provides 9000 BTU input.

Key-locking continental kit for spare tire.

Add-A-Room uses your canopy to create an entire extra room.
